

Earn your PharmD
in three years

Doctor of Pharmacy INFORMATION SESSION

February 4

11 a.m. - Noon

**Science & Engineering Building 1 (SE1)
Room 270K**

For over 60 years, University of the Pacific has been training pharmacists who are problem-solvers, innovators and leaders.

The skill set and clinical experience you will gain at University of the Pacific will open doors to the many settings where pharmacists play a key role, from hospitals to pharmaceutical research and development.
