Program Description

The Diagnostic Medical Sonography Program is a full-time Certificate of Achievement program that offers didactic, directed hands-on laboratory, and professionally supervised clinical training in General Sonography (Abdomen and OB/GYN Track). Successful completion provides the student with job-ready skills.

Highlights

The Allied Health Center houses a complete Sonography Suite, large computer lab, conference rooms, study rooms and multiple large and small classrooms. The Sonography Programs have contemporary equipment and software that assist students with learning current procedures.

How to Apply

Visit the Allied Health website for more information: www.mccd.edu/alliedhealth

On the Allied Health website, select the "Diagnostic Medical Sonography" tab, then select "How to Apply."
