

Apply to PATHS!

Program to Advance Training in Health and Sciences

PATHS is a 10-month training program that prepares students to successfully pursue an MD, PhD, MD/PhD degree.

PATHS Fellows will be provided with:

- A virtual training curriculum specifically tailored to their future advanced degree track
- A supportive network of peers and role models
- An opportunity to be formally mentored by current MD, MD/PhD, or PhD candidates at Yale School of Medicine
