

PRE-MED SCHOLARSHIP *Funding* *The Future Physicians*

Introducing: The Funding the Future Physicians Scholarship 🎓🌟!

FTFP aims to bridge the gaps and challenges faced by aspiring medical students from historically underrepresented backgrounds. We will carefully select a cohort of 50 incredible students from HBCUs, Hispanic-serving institutions, and Indigenous-serving institutions. These individuals have showcased immense potential, dedication, and passion for joining the medical fraternity. They've got the zeal, and with the right guidance, they're poised to soar.

🤝 What is included?

The Funding The Future Physicians Initiative is a robust, comprehensive program aimed at diversifying medicine. Funded by Genentech and spearheaded by The 15 White Coats, it seeks to prepare underrepresented minorities to successfully:

- 1. Take the Medical College Admission Test (MCAT).**
- 2. Prepare the American Medical College Application Service (AMCAS) application.**
- 3. Navigate medical school entrance interviews with at least 10 medical schools.**

via these key program elements:

- 1. Mentorship**
- 2. MCAT preparation resources**
- 3. AMCAS guidance**
- 4. Assistance with preparing a personal statement**
- 5. Support with interview and acceptance consideration**
