

# Join Our AltaMed Scholars Program

The AltaMed Scholars Summer Program is a six-week, pre-health/pre-medicine summer program in Los Angeles. Participants will attend workshops on health equity, gain clinical skills, and engage in research activities that focus on serving medically underserved communities.

## Eligibility

- Community college student, current undergraduate student, recent college/university graduate, or postbaccalaureate student pursuing a health career. **Those pursuing an LVN, RN, BSN or NP are NOT eligible.**
- Come from an economically and/or educationally disadvantaged background.
- Be a U.S. citizen, a legal permanent resident, or DACA recipient (DACA recipients are funded by AltaMed Health Services).

## Program Benefits

-  Health equity workshops
-  Scholarly activity/research opportunities
-  Clinical experience
-  Mentorship
-  A stipend of up to \$2,500 will be available for participants who successfully complete the program.

## Application Deadline:

Sunday, February 23, 2025  
11:59 p.m. PST

## Program Dates:

June 23, 2025 - August 1, 2025

## Application Launches:

Sunday, December 1, 2024
