PROGRAM

Become a Physician at UNIBE Costa Rica

The Hispanic Association of Colleges and Universities (HACU) has partnered with Universidad de Iberoamerica Costa Rica to offer the Galeno Program, a medical education pathway for aspiring physicians. The program is your door to a medical career with access to a high-quality education to become a healthcare leader.

Galeno Program Benefits

- No MCAT Required – Start medical school without the stress of entrance exams.
- No Premed Required – Save time and money by entering directly into medical school. Credit granted for applicable Pre-Med Courses.
- Day One Hands-on Training – Immediate real-world clinical experience.
- Bilingual Curriculum – Practice in both English and Spanish.
- Global Clinical Rotations – Opportunities in the U.S., Europe, Central & South America.
- Student Support Services – Personalized guidance throughout the program.
