

SUMMER PROGRAM

HANDS ON ENERGY RESEARCH

STIPENDPROVIDED

TO APPLY AND FOR MORE INFORMATION energy.gov/fe/mickey-leland-energy-fellowship

Mickey Leland Energy Fellowship Program

For over 20 years, the Mickey Leland Energy Fellowship (MLEF) Program has provided students with opportunities to gain hands-on research experience with the Department of Energy's (DOE) Office of Fossil Energy (FE). This program has mentored hundreds of the best and brightest students from across the nation for future careers in science, technology, engineering, and mathematics (STEM) and provided insight into how the DOE is working to meet the energy challenges of the future.

Selected candidates will train under the mentorship of program officials and scientists working on focused research projects consistent with the FE mission. At the conclusion of the program, Fellows attend a "Technical Forum" where they will present their research findings and tour a nearby technical site. For more information visit energy.gov/fe/mickey-leland-energy-fellowship.

IMPORTANT DATES

- Application deadline: December 17, 2018 (Applications must be SUBMITTED by the application deadline)
- Letters of Recommendation: will be accepted until January 7, 2019.
- Program Dates: June 3 to August 9, 2019

ELIGIBILITY

- Be at least 18 years of age at time of application
- Be a U.S. Citizen
- Have a cumulative GPA of at least 3.0
- Be currently enrolled full-time as a degree-seeking student in a STEM program at
 an accredited college or university at the Bachelor's, Master's or Doctoral level.
 (Must be at least a college sophomore at the time of application. Students
 pursuing an Associate's degree are eligible to apply if transferring to
 pursue a Bachelor's degree for Fall 2019)
- Be available to participate in the full 10-week program

STIPEND

- Current undergraduate students: \$600 per week
- Current Master's students: \$750 per week
- Current Ph.D students: \$850 per week

Some participants may be authorized to receive an additional allowance to offset the cost of housing and travel expenses.

LOCATIONS

Selections are based on a student's qualifications and the need of the host site. Fellows may be placed at one of several FE sites including, but not limited to: DOE Headquarters, Washington D.C. and Germantown MD; National Energy Technology Laboratory, Pittsburgh, PA, Morgantown, WV and Albany, OR; Strategic Petroleum Reserve, New Orleans, LA; Lawrence Berkeley National Laboratory Berkeley, CA; Lawrence Livermore National Laboratory, Livermore, CA; Sandia National Laboratories, Albuquerque, NM; Los Alamos National Laboratory, Los Alamos, NM; or Pacific Northwest National Laboratory, Richland. WA.
