

Path to Postdoc @UCSF

Interview at UCSF

March 11-14, 2019

Hosted by UCSF IRACDA Scholars Program

Your next step towards research independence begins at UCSF

Postdoctoral training is a critical step to advancing your career in academic research. UCSF postdocs train with world class faculty researchers.

Program Highlights

If your application is selected, we will arrange **travel to campus and 3 nights accommodation.**

During your stay, you will have the opportunity to interview with faculty and labs you identified in your application. We will ensure there is mutual interest and space for a postdoc as part of the selection process. We recommend that you begin contacting those faculty as you consider applying for Path to Postdoc.
