

AquAlliance and the Vernal Pool Recovery Plan Implementation Regional Working Group of Butte, Glenn, Tehama and Shasta Counties present

Vernal Pool Landscapes: Past, Present, and Future

Wednesday, April 11 and Thursday, April 12, 2018

Sierra Nevada Brewing Company, Chico

8:30 a.m. - 5:30 p.m.

Friday, April 13, 2018

Field Trips in Butte and Tehama Counties

9:00 a.m. – 4 p.m.

Eminent scholars, agency representatives, and other professionals will present research and case studies regarding plant, animal and microbe species dependent on vernal pool landscapes, conservation efforts, legal cases, and management techniques that have been used to enhance vernal pool landscapes' ecological viability. Program includes a poster session and keynote talks presented by Don Hankins of Chico State University and John Vollmar of Vollmar Natural Lands Consulting.
