Outreach Notice Stanislaus National Forest

Temporary Hiring Opportunities

The Stanislaus National Forest is seeking qualified applicants to fill temporary, full-time fire and non fire positions for the 2023 field season. Vacancy announcements will be posted to the USAJobs website (www.usajobs.gov) on September 29, 2022 and will close on October 6, 2022. Please see the list of job opportunities (below) for specific vacancy announcement information.

General fire suppression vacancy announcements and module-specific announcements will both be used to fill positions on hand crews, helitack, lookouts, recreation, etc. Start date and length of work season will vary by position. Government-provided housing may be available in some locations. Applicants must be at least 18 years of age.

Pay Scale Info: All positions are paid an hourly rate which varies by grade.

Duties: Duties vary depending on the position. A valid driver's license may be required. Hours usually consists of a 40-hour work week, Monday through Friday, and some positions may require work on weekends. Work may be physically demanding, and employees will work in a variety of weather conditions.

How to apply: Applicants must access the vacancy announcements through USAJobs – <http://www.usajobs.gov>. Applicants must establish a profile and build or upload a resume in the USAJobssite. For assistance in navigating USAJobs, reference the following site: https://help.usajobs.gov/index.php/Main_Page. Once you have established your profile and resume, that data will be used in all future applications without the need to re-enter. It is recommended that applicants complete the on-line resume and attach a document/resume with past supervisors' contact information to expedite reference checks. Applicants are required to recertify their application every 60 days. Applicants will need to attach any required supporting documents (transcripts, DD-214 to claim Veterans Preference, IQCS master record, etc.) for each job applied to – they are not automatically added to your application from your profile. If your application documents are too large (more than 3MB) to upload into USAJobs, you can convert your documents into a Portable Document Format (PDF) file to reduce the file size. Please read the entire vacancy announcement carefully and follow all directions. Applicants respond to a series of questions to determine core eligibility and minimum qualifications. Your responses will be evaluated along with experience described in your resume. Any level of knowledge, skills, abilities and competencies claimed in the assessment questionnaire must be supported and documented in your resume and attachments.

Veterans are encouraged to apply on the USAJobs web site where Veterans Preference is applied to eligible applicants. Veterans MUST submit a DD-214 if claiming Veteran's Preference.

ABOUT THE FOREST:

The Stanislaus National Forest totals approximately 1,090,000 acres within its boundaries. The Forest is bordered on the south by the Merced River and the Sierra National Forest. The Mokelumne River and the Eldorado National Forest comprise the northern border. Yosemite National Park and the Toiyabe National Forest make up the eastern boundaries.

The Forest contains all of the Emigrant Wilderness and portions of the Carson-Iceberg and Mokelumne Wilderness. The pristine and dramatic scenery offers a backdrop for outstanding hiking, backpacking, and horseback riding experiences. As home to a multitude of lakes and reservoirs, as well as 811 miles of rivers and streams and 18 fish species, the Stanislaus offers a wide variety of water recreation opportunities. The Tuolumne and the Stanislaus Rivers are popular destinations, as are Pinecrest and Cherry Lakes. Winter recreational opportunities are numerous, and the area abounds with local history from the gold rush era.

The Forest offers a full range of year-round recreation opportunities. The network of trans-Sierra highways, forest roads and trails encourages discovery of nature and history, creating family traditions and lifetime memories. Opportunities abound for visitors to expand their understanding of the natural world and to strengthen their connection to the land, now and for the future.

For more information on the Stanislaus National Forest, please see our website at <http://www.fs.fed.us/r5/stanislaus/>.

ABOUT THE COMMUNITIES:

Sonora, California The Forest Supervisor's Office is located in Sonora, California. The Forest has four Ranger Districts divided along three highway corridors: route 120 to the south (Groveland District), Route 108 along the middle fork of the Stanislaus River (Mi-Wok and Summit Ranger Districts), and route 4 in the north (Calaveras Ranger District). Highway 4 is a designated

Scenic Byway, Highways 108 and 120 have the potential to become designated. Each highway corridor represents a unique interpretive and education opportunity from giant sequoias to wild rivers.

Mi-Wuk, Calaveras, Summit, and Groveland are within 45 minutes of the Supervisor's Office. All of the Emigrant Wilderness is contained within the Stanislaus National Forest as are portions of the Carson- Iceberg and Mokelumne Wilderness Areas. The pristine and dramatic scenery offers a backdrop for outstanding hiking, backpacking, and horseback riding experiences.

The Groveland Ranger District encompasses Highway 120 corridor on the Stanislaus National Forest. It is located near Yosemite National Park, in the Sierra Nevada. Groveland has campgrounds along the Tuolumne River. There is wildlife viewing, hiking, kayaking, rafting, and fishing. It is the gateway to Yosemite National Park.
